

You make a difference  
in people's lives.

Getting certified will  
make a difference for you.

A new voluntary occupational certification  
has been created for Human Service  
Counsellors that will:

- Ensure you have a rewarding career path;
- Give you recognition for your credentials, competencies and experience;
- Improve public confidence in your occupation; and
- Foster a consistent standard of quality care and supports for your clients.

Learn more and apply  
for certification today.
